

Regarding review of media ownership rules

In the United States Constitution, Amendment I in the Bill of Rights states:
Amendment I

Congress shall make no law respecting an establishment of religion,
or prohibiting the free exercise thereof; or abridging the freedom
of speech, or of the press; or the right of the people peaceably to assemble,
and to petition the government for a redress of
grievances.

When the media is consolidated it then speaks with one voice.

This violates many principles in our Constitution. Media mergers
and conglomerates is a trend that needs to be discouraged or even
forbidden as it was in the past.
